Dear Neil Van Overloop:

Thank you for taking the time to prepare a budget submission as we built Budget 2024.

We appreciate the insights that you have shared with us. We are a listening government, and your contributions helped inform our approach to developing Budget 2024 and delivering on the priorities of Manitobans.

Unfortunately, as I revealed to Manitobans last week in the Third Quarter Report, the previous government left us in a difficult fiscal position.

On Tuesday, April 2, 2024 we will close the chapter on the previous government's record, and start a new chapter with Budget 2024.

This budget will deliver on our government's core commitments to deliver better health care and lower costs for families.

In closing, thank you again for taking the time to formally share a budget submission with our government. Your ideas and priorities will continue to inform our thinking in the months and years ahead.

Sincerely,

A handwritten signature in blue ink that reads "Adrien Sala".

Honourable Adrien Sala
Minister of Finance
